

Hello. My name is Shawn McHugh. My fiancé is Mary Ann and our camp is the yellow park model on Yogi Bear/A274. This is our third summer enjoying it here and I'm running for the board in section A.

After the morning meeting tomorrow (8/13) I will be coming around to meet the folks in my section. When I win, I would like for everyone to feel free to come to me with any questions, concerns or problems.

I have no family members on the board. I only have a as one relative in the campground and he has been here over 25 years. Some of you may already know him, his name is Wayne and he entertains everyone playing the guitar. His late wife was Marguerite who enjoyed camping was instrumental in our decision to join the camp!

Also when it comes to voting on matters, I will post how I voted and why, keeping in mind your best interests. I would be very happy to serve as your representative in section A, and also hope to meet campers in all sections.

Thank you for considering me to serve you on the board here at Slippery Rock Campground Section A.
