

Thomas J Keating  
Section c (Incumbent)  
Lot C172

First off, thank you rich for starting this thread and thank you to the membership in section C for allowing me to represent you for the past 4 years. I am currently the maintenance chair on the maintenance committee and a part of the pool and finance committee. During my term I assisted ( time and coordination) in many of the new and existing updates you may have seen over the past few years. A few of those being the new pool liner, playgrounds, the revitalization of the sewage plant in the new water plant. I brought two light all the electrical issues and working with both volunteers and contractors to fix many of the existing maintenance issues throughout the park. Currently I am working on our maintenance team and contractors in wrapping up replacing of the water hydrants and assisting our crews with the mountains of work orders they have received on a daily basis. We have some of the best maintenance teams around and it's been my pleasure to help them and assist this team over the past few years. Luckily for me I am retired and spend the majority of the time up camp helping our staff and have developed great working relationships with our current crews and represent C section should I be nominated by C-section again I have no family (other than my own) at SCRA and not related to anyone else on the board nor even in the campground. I have always attempted to address concerns and /or help directly with the membership and planned to continue. We have a lot more work that needs to be done currently and not Band-Aided like to pass. I wish all the nominees in each section the best and with that I'm asking for your vote and continue to support in section C
