

My name is John Drumm and I am running for the Board of Directors as a write-in in D section in this upcoming election. I would like to take an opportunity to introduce myself to those who do not know me.

I have been a member of SRCA for 8 years. My wife Jenn and I have 6 kids ranging in age from 3-19 and all of them have enjoyed our campground over the years. I am fortunate that our kids have given me a unique perspective of our camp and the activities through their eyes.

I have served on several committees over the years including recreation, land use, safety and maintenance. I have also served on the board previously but unfortunately had to resign due to family issues.

I have experience in business management, project management, construction and mechanics.

The reason I have decided to run this year is because I believe our association is in a critical position. Over the next few years, there are going to be a number of infrastructure issues that will need addressed (water lines, electrical lines etc.) and we need to make sure that the board is now and stays focused on this. Because of this, I believe that we need to be very careful and thoughtful on all of our spending. I have helped previously with the sewer line upgrades and other projects and feel I would be an asset during these projects as well.

I will be trying to get around D section to introduce myself in person to as many members as possible. In the meantime, if you have any questions, please feel free to stop and see me at D242.

Thank you

-John Drumm-
