

MANAGERS MONDAY  
MEMO 9.30.24

**Kindness** is my leadership style- Most of you know me well, either by meeting me in person or by reading these memos. It is fair to say that I start everything in kindness, my goal the minute I see someone is to be kind, there are times when I must be steadfast, stern, or even tough, but most of the time, I can still do it with kindness.

**PERSONAL STORY:** I want all of you to know why, because I truly believe if you know someone's story you can understand their actions. I have been blessed and stressed many times in my life, every challenge offers a loss or a lesson. I have been lucky enough to receive the lessons even during the losses. I was in the Army, a blessing! My first husband served in the Persian gulf war, thankful for his service! He returned a different person, war broke him, destroyed his heart, and caused him years of physical and emotional damage. I do not blame him at all! Hurt people, hurt people! He hurt me in more ways than I can ever express. Physical abuse, mental abuse, and lifelong trauma. I learned my most valuable lesson during those years. You can hate someone's actions, but when you hate someone the only person that damaged is you. I love him as the person I married, I love him as the father of my children, I love him as a human being and as a Christian, People are not perfect, they make mistakes and sometimes they pay for those mistakes at a higher cost than you can imagine.

Consider this, you are angry at someone right now, what does it do to the person you are angry at? Nothing, they usually don't care, some even find joy in making others mad, but you are missing out on the opportunities for joy because you are angry. Every negative thing we deal with in our lives can hurt us or help us. I chose to let everything bad help me, help me be better, help me be kinder, help me learn to forgive those that are unable to apologize for their wrongs. I could have stayed a bitter, angry victim but all that would have done was make my life miserable and given him control over me even when we were separated by 3000 miles.

I use that same philosophy with every person that cuts me off in traffic, bumps into me in a store and does not say sorry, every person that does not like me and calls me names, every family member, friend that has something negative to say about me because they do not agree with my choices. None of those people matter, I control my joy and if I let their actions cause me to be a different person, I lose! I am here to have joy, laughter, love, peace, education, experiences, and most of all lessons.

**I will fail, we all do!**

**I will always win and lose in KINDNESS!**

ISSUES OF THE WEEK- SOME ARE REPEAT ITEMS BUT THEY KEEP BEING REPORTED, SO I WILL KEEP DISCUSSING THEM.

**Parking:** - NO ONE IS ALLOWED TO PARK IN ANOTHER MEMBERS LOT WITHOUT THEIR PERMISSION. YOUR CAR CAN AND WILL BE TOWED AT YOUR EXPENSE. EVERY MEMBER HAS THE RIGHT TO CALL A TOW COMPANY AND HAVE A VEHICLE REMOVED FROM THEIR LOT. IF YOU WISH TO GIVE PERMISSION TO SOMEONE, IT WOULD BE HELPFUL TO CONTACT THE OFFICE AND LET US KNOW. WE HAVE A LOT OF PEOPLE AWAY AND IN ORDER TO KEEP SAFETY ON THE FOREFRONT, YOU SHOULD NOT BE PARKING IN SOMEONE ELSE'S LOT, WE BELIEVE IT COULD BE A THEFT ATTEMPT AND HAVE TO TAKE EVERY PRECAUTION.

Lot clean up- If you have not used it in 30 days, you don't need it, if it's been broken more than 60 days you need to junk it, one person's trash is another person's treasure but not if you already have 6 you don't use or take care of. The green that grows is a nuisance, you don't always have to pressure wash a magic eraser can clean anything. If your anything is mildewed, molded, green and fuzzy get it cleaned off.

**WE ALL CAN MAKE A BIG IMPACT ON OUR COMMUNITY!**

Kids bikes scooters-flags lot #- PARENTS, GRANDPARENTS, Please get a flag for all bikes and scooters, please have children wear helmets, please put their lot # on their helmets, if they fall and become unconscious, we have no way to find their family. You can buy a flag at the office for \$5. You can make them yourself if they are high and bright so cars can see our kids riding. You are responsible for all guests and children will be sent home by security if they do not have the proper equipment.

Old, dilapidated golf carts- Fix them, or move them off property! Flat tires, covered in mold, grass growing around them, trees growing in them!

Tree removal- Trees will only be removed by the campground if they are dead, declared dead by an arborist. We would have to have 200,000 dollars today to remove all the trees you

want removed. If you want a tree down because you don't like it, get a permit from me, and you are more than welcome to remove it.

**Leaves-** your lot is your responsibility; please ensure you keep it landscaped or you pay someone to do it!

**Trailer installs-** Going forward, we will require 72-hour notice of installation or removal of a trailer. We must do a work order for maintenance to be there for guidance, we must ensure the back gate is open and there is a clear entrance and exit. It is your responsibility to ensure that whoever is bringing, or removing the trailer has the know how to do so. We are not allowed to help in any way other than verbal directions. **CALL THE OFFICE AS SOON AS YOU HAVE A DATE!**

**Team Talk:** I will be adding team members thoughts, stories, autobiographies, whichever they choose to share in the hopes that we all get to know each other a little better and you know who are always working hard for you.

**Finn-** Lots of people love to ask about my hair, whether it be on how I get the crazy colors or why I do it. I've been dyeing my hair since I was about 13. I just think it's a fun way to be able to express myself and have more creative freedom. Most times I switch between some of my favorite colors, but there are only a couple of colors I haven't done at some point or another. Dyeing my hair doesn't harm my hair in any way. I have the proper products to take care of it and treat it to prevent any damage, a concern that plenty of people ask about as well. I'm planning on doing something different within the next couple of weeks. With Fall arriving, I'm planning a Fall themed color scheme for my hair! I figured it would be fun to switch things up again and match with the seasons.

**Vaughn**-Hello! I am Vaughn and I'm one of the office assistants at the campground. I have been here since August coming from teaching preschool for 10 years. I enjoy playing guitar, hiking, and creating costumes for events such as comic-cons and renn fairs. I have lived in Pa for all my life. I love the fall but despise the snow and cold. Another fact about me is I love spicy food, whether it be spicy chicken wings, spicy potato chips, or peppers.

**Jared**-While not a Christian myself, I believe the message is clear! **Ephesians 4:29:29** *Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen.*

FRIENDSGIVING- OCTOBER 12, IN THE REC HALL 1:00-2:00- SIGN UP REQUIRED-FOOD PROVIDED BY A GROUP OF WONDERFUL MEMBERS, PLEASE SIGN UP IN THE OFFICE FOR A SIDE DISH TO BRING AND GIVE A GUEST COUNT.

**WE STILL HAVE 7 GREENS AVAILABLE FOR ADOPTION, LEAVE YOUR MARK ON SRCA AND LET'S HAVE THE BEST MINI GOLF COURSE IN PENNSYLVANIA! CONTACT THE OFFICE FOR DETAILS!**

**I HAVE HAD THE MOST WONDERFUL WEEK, EVEN BATTLING MY ALLERGY ATTACK, I HAVE ENJOYED TALKING WITH SO MANY MEMBERS, LEARNING NEW THINGS, CELEBRATING LIVES LIVED AND NEW ONES ABOUT TO BEGIN, I AM SO TRULY THANKFUL TO BE HERE!**

*I'm proud of you*

**I'm proud of you for showing up for yourself every single day, for all the tough decisions you make, and for your unwavering commitment to your own well-being. Your resilience inspires me, and your grace in the face of adversity is truly admirable. I see your pain, but more importantly, I see your incredible strength. Your courage and determination do not go unnoticed. I believe in you, and I believe in the incredible person you are becoming. Keep going, because you are doing amazing.**
